IN MEMORIAM
Chichester Fire Department

LEON A. SANBORN

BENJAMIN F. SHAW

HAZEN M. LEAVITT

I would like to forgo the annual firemen's report in order to pay tribute to three of our members who have passed on during the past year.

On Sept. 30 Leon A. Sanborn passed away. He was one of the charter members of the Dept. and was instrumental in the organization of the Chichester Vol. Fire Dept. in 1936. He was elected as the first Clerk of the Dept., and served in that office for 26 years until his death.

On Oct. 6 Benjamin F. Shaw passed away. He also was a charter member of the Dept. and held the office of Lieutenant for the full 26 years.

On Dec. 17 Hazen M. Leavitt passed away. He also was a charter member of the Dept. and held the office of treasurer at the time of his death.

It has been a great loss to our Dept. to lose these three such outstanding members, all whom held office, and fulfilled important positions in our organization. All three being charter members have contributed much, and their wise judgment and counseling have helped the Fire Dept. to advance during these 26 years.

It is unusual for any organization to lose so many of its key members so suddenly, and the loss is also greatly felt by the town and the community as a whole,

as each one has contributed so much of their lives for the betterment of Chichester, their home.

I can only say they will be missed by us all, and know the town as a whole extends its sympathy to their families and friends and the feelings words cannot express.

Their friendliness and good deeds will long be remembered.

WALTER L. SANBORN,
Fire Chief

PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep fire loss low by remembering these simple rules.

1. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
2. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
3. Have something to keep the fire under control — pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
4. Be sure your fire is dead out before you leave it.
5. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to instill in the child's mind a respect for fire.

Keep our town safe from fire.

In 1962 we had 0 fires.

We burned 0 acres.

Permits issued 62.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chichester:

Chichester Central School has expanded into the area previously used as an activity room. This area is now set up as a classroom and has been in use since September 1962.

Now that all available classroom space in the building is being used some study should be given to future enrollments and the need for additional space to meet the demands of an expanding school population.

The school is operating more effectively with each of the first four grades in separate rooms with a teacher for each grade.

With our increasing enrollments, two grades in a single classroom places an extra burden on the teacher and makes it impossible to give each pupil the individual attention so necessary for maximum progress in school learning activities.

It has been a distinct pleasure to work with the Chichester School Board and the Chichester teachers to provide good educational opportunities for all Chichester pupils.

Respectfully submitted,

RAYMOND E. MORTON,
Superintendent of Schools
